All puppies are registered with the Canadian Kennel Club and are sold with a non-breeding agreement, unless discussed previously with Trinity Kennels. Should breeding occur while a non-breeding agreement is in place, it will null and void any and all health guarantees made by Trinity Kennels.

Pups will be ready to go between 7-9 weeks of age. If pup cannot be picked up during that time period a boarding fee will be charged.

Buyer is responsible for all shipping costs including shipping crate.

Payment in full is due before the pup leaves Trinity Kennels. Please make cheques payable to Dave McRae.

The \$500.00 puppy deposit is NON-REFUNDABLE, except under the following conditions:

~ Trinity Kennels does not have a puppy for the prospective buyer(s) because of death, injury or illness of puppy.

~ If unable to provide a puppy, Trinity Kennels will apply the deposit to the next available litter, or refund the entire deposit, as per the prospective puppy buyer(s) instructions.

NOTE: I, Dave McRae (Trinity Kennels) reserve the right to refuse to sell puppies to individuals if it is deemed the prospective buyer(s) or the home is not appropriate, even if the deposit has been made. In this case the puppy deposit will be refunded.

I have read and understand the above. I agree to abide by the rules of this agreement.
